Tina,

I am still working on slide 13, but if you look at slides 16 and 24 you will have an idea of how it will work for the presentation. I really need to take a class in this so I don't have to ask Jay and Damon to help me do these. Jay wasn't able to embed the video from the link that Keith sent me, but I found it on YouTube so it should be completed Monday or Tuesday. Let me know if you have any other changes.
